Line Lead**

www.dougarryhomes.com/career

Reporting to the Vice President of Panel-It, the **Framing Line Lead** will lead the production team to ensure that production goals and objectives are met in a timely and efficient manner. The position will assist team members to understand why their work matters and how their work fits into the larger company vision.

Job Responsibilities

- Mentor and coach team members
- Operate and oversee a number of pieces of equipment and hand tools safely and productively to assemble wall panels and floor panels.
- Clarify metrics, track progress and communicate updates.
- Ability to manage multiple urgent requests and rapidly changing priorities.
- Ability to lift 50 lbs frequently.
- Mark defective parts/products for repair.
- Collaborate with VP of Panel-It to refine lean processes and increase efficiencies on the floor.

Qualifications

- High school diploma preferred.
- Experience as a foreman, team leader.
- Ability to read blueprints, schematics, field drawings and plans. Must be able to understand measurements and perform basic math calculations.
- Physical strength, hand-eye coordination and endurance required.
- Highly flexible with solid interpersonal skills that allows one to work effectively in a diverse working environment.
- Valid drivers license with a clean abstract.

We appreciate the interest of all applicants and will be contacting candidates whose skills, experience and qualifications best meet the requirements of the position.
